

ANTI-BRIBERY AND ANTI-CORRUPTION POLICY

We, as Yeşilyurt Demir Çelik A. Ş., hereby commit;

- To conduct all our activities in line with integrity, transparency, accountability, and ethical values,
- To adopt a zero-tolerance approach to bribery, corruption, improper gain, conflicts of interest, and all forms of unethical practices,
- To ensure full compliance with the legal regulations in force in all countries where we operate, as well as with national and international standards,
- To conduct our relationships with public institutions, customers, suppliers, business partners, and other stakeholders within the framework of the principles of integrity and impartiality,
- Not to provide any improper benefit, directly or indirectly, to any person or organization, and not accepting such requests,
- To ensure that business decisions are made solely on the basis of objective criteria and to avoid conflicts of interest,
- To conduct donation, charitable contribution, representation, hospitality, and gift practices within the framework of the relevant legislation, company policies, and ethical rules,
- To ensure that accounting records, financial transactions, and commercial records are maintained accurately, completely, transparently, and traceably,
- To raise the awareness of our employees and stakeholders regarding the fight against bribery and corruption,
- To encourage the safe reporting of conduct contrary to ethical principles and to evaluate the reports received in accordance with the principle of confidentiality,
- To ensure the protection of individuals who submit reports and not to permit retaliation under any circumstances,
- To manage bribery and corruption risks with a continuous improvement approach by reviewing them regularly,
- To address our approach to combating bribery and corruption in a manner that covers our suppliers, contractors, subcontractors, dealers, agents, and other business partners, and to ensure that the relevant policies, contractual terms, ethical rules, and the Supplier Code of Business Ethics are adopted by the parties with whom business relationships are established.
